RMA ASSOCIATES LLC OVERVIEW

Financial and Business Solutions

RMA Associates LLC is a CPA and Consulting firm that specializes in federal audit, attest, audit remediation, and financial advisory engagements. Our personnel include former big four firm senior management and former cabinet level Office of Inspector General auditors. Our team has developed audit and internal control methodology and training for global companies and our federal clients.

We understand the federal financial management and related IT environments, and the unique challenges facing agencies. Since we are a small firm, we can provide more personalized service to our clients. We combine an extensive range of financial knowledge and experience to help you achieve your objectives. Our primary goal is to be responsive to our clients' needs. We view every client relationship like a partnership and believe that our success is a result of your success.

You Can Count On Us For:

- *Expertise in federal financial management issues and in addressing programmatic needs and concerns;*
- *Commitment to high quality work and personal timely service;*
- *Value-based services that will improve data quality and integrity; and*
- *Ability to provide and implement specific action plans.*

Our Services:

- *Financial Statement Audit and Attest Engagements;*
- *SSAE No. 18 Examinations and assistance with management assessment of such examinations;*
- *Audit Remediation;*
- *Full Life Cycle Audit Assistance;*
- *Internal Control Reviews;*
- *Project Management and Technical Writing Services;*
- *Analysis of Compliance Procedures;*
- *IT General and Application Control Testing, Assessments, and Reviews;*
- *Outsourced Accounting, Budget, and CFO Services;*
- *Cybersecurity and Information Assurance Services;*
- *Audit services under Federal Information Security Management Act (FISMA);*
- *Advisory services to comply with Federal Manager's Financial Integrity Act of 1982 (FMFIA) and Office of Management and Budget (OMB) Circular A-123, Management's Responsibilities for Internal Control, Green Book Internal Control Standards;*
- *Expertise services to improve process and procedures, systems with automated solutions for faster and timely data and documented processing;*
- *Preparing training materials and conducting training of OIG and other Federal agency employees with the industry best practices and technologies; and*
- *Statistical advisory services.*

Service Contract Act: The Service Contract Act (SCA) is applicable to this contract as it applies to the entire Professional Services Schedule and all services provided. While no specific labor categories have been identified as being subject to SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CRF 541.300), this contract still maintains the provisions and protections for SCA eligible labor categories. If and / or when the contractor adds SCA labor categories / employees to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCA matrix identifying the GSA labor category titles, the occupational code, SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.
